#### The Children's Trust RFP

RFP for Service Partnerships has not yet been released. Our initial proposal from October remains in consideration until the RFP is actually released. Staff will schedule a meeting for RFP review as soon as the Trust issues the RFP.

Success University

College of Performance Improvement

Providing truancy prevention and proactive school attendance services.

College of Alternative Services

Providing alternatives to school suspension and traditional learning while developing successful learning skills.

College of Advocacy & Empowerment

Providing advocacy and skills training to parents, caregivers and providers ensuring whole child success. College of Human Rights & Civil Justice

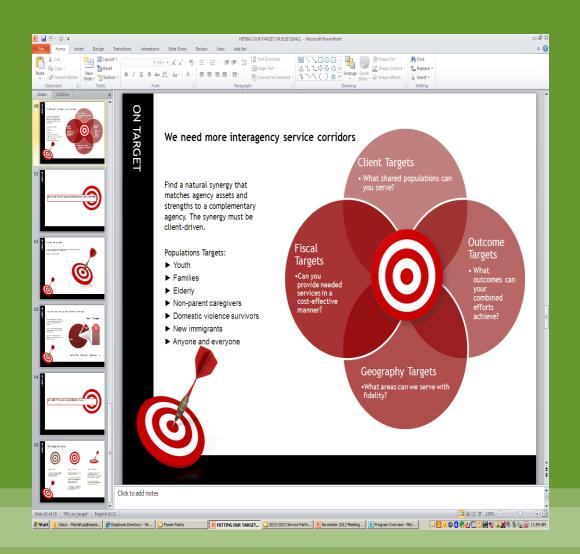

Providing prevention and intervention services to ensure community cohesion, eliminate violence and promote healthy homes.

### Trust RFP Approach

- We will strengthen fidelity across the service spectrum by:
  - ☼ Enhancing required trainings for all frontline personnel:
    - ☼ Intake & assessment

    - FGC audit
  - ☼ Including ACCESS Center consent at intake
  - ☼ Performing field fidelity reviews of all frontline personnel
  - Conducting random desk audits of intakes, FGC contracts
  - ☼ Ensuring an independent, autonomous process for Care Plan design
- We will enhance agency capacity by adding Triple P to best practices
- We will enhance home-based approaches by providing:
  - Home-based health assessments and chronic illness management
  - ☼ Credit score counseling services with established eligibility
  - ☼ Home-based tutoring services

## **Collaboration Consulting**

Reminder: In order to serve you best, please schedule your requests for collaboration consultations as soon as you have identified a project.

#### **Good & Welfare**
